Defendant agrees on the record to proceed with this hearing via video. Defense counsel indicated his client will waive his right to an identity hearing and is not pursuing a detention hearing at this time, but is requesting one in the charging district. The waiver will be executed. FBI Special Agent Matt Solomon is sworn and testifies. (Government Exhibits 1-13 and 15 are all admitted.) Argument is made as to probable cause. The Court finds there is sufficient evidence to support probable cause and an appropriate order will be entered.
